This report lists grant payments made by the Ministry of Government Services from the B.C. Lottery Fund from April 1, 1991 to March 31, 1992. These payments were made against commitments undertaken during the 1991/92 fiscal year and previous fiscal years.

COMMUNITY ARCHIVES ASSISTANCE GRANTS - this program assists with non-capital costs associated with the establishment and development of community archives throughout the Province.

ANNUAL GRANTS - this program has provided regular assistance to a limited range of volunteer organizations as a provincial contribution to their operational costs.

BICENTENNIAL GRANTS - this program provides partial funding for events and projects commemorating the 200th anniversary of maritime exploration along the B.C. coast. The bicentennial spans the years 1990 to 1993.

COMMUNICATION - PEETS GRANTS - this program provides funding assistance to community non-profit groups to install television satellite receiving devices.

Awards are made under the Provincial Education and Entertainment Television System administered by the Ministry of Economic Development, Small Business and Trade.

MULTI-CULTURAL GRANTS - this program provides assistance to recognized heritage language schools.

Awards are based on the number of students to a maximum of $2,000.

Limited financial assistance is also available to recognized community groups for projects which promote improved race relations and community understanding.

EXPO LEGACY - this program was established to assist projects that would give communities outside of the Lower Mainland a permanent legacy of Expo '86.

Awards were determined by a committee of Cabinet.

Payments continue to be processed against commitments made under the Expo Legacy Program.

FIRST CITIZENS' GRANTS - this program provided capital assistance to aboriginal groups.

This program was amalgamated with the GO B.C. Program. Payments continue to be processed against commitments made under the First Citizens' Grants Program and administered by the Ministry of Aboriginal Affairs.

GO B.C. GRANTS - this program provides partial funding through capital grants for social, cultural, environmental, recreational, health and community development projects.

This program has been discontinued but commitments will be honoured when conditions for payment have been met.

IN-PROVINCE TRAVEL GRANTS - this program assists organized non-profit groups with travel expenses within the Province. School groups and amateur sports teams are the major beneficiaries.

Awards are based on the number of travellers and the distance travelled.

DIRECT GRANTS - this program provided funding assistance to community projects of a capital nature. After the introduction of GO B.C. in September, 1988, this program was used for smaller capital grants.

In March, 1990, this program was amalgamated with the GO B.C. Program. However, payments continue to be processed against commitments made under the Direct Grants Program.

SPECIAL PROJECTS - this program provides funding assistance to worthwhile projects that do not qualify for assistance under other granting programs.

AGRICULTURAL FAIRS GRANTS - through the Special Projects Program, funding provided by the Ministry of Agriculture, Fisheries and Food, is matched from the Lottery Fund to assist with operational costs of individual fairs.

The British Columbia Association of Agricultural Fairs and Exhibitions also receives operating assistance through this program.

HOSPITALITY GRANTS - this program provides partial funding for meal functions related to international, national or provincial conferences, conventions, or province-wide sporting events which are held within British Columbia.

Awards are based on the number of participants to a maximum of $2,000.

The Hospitality Grants Program has been discontinued after March 31, 1992.

In addition, a payment of $10,500,000 was made to the Victoria Commonwealth Games Society in anticipation of the 1994 Commonwealth Games.
